

Use License and Personal Release

I, _____, hereby grant to the National Academy of Sciences, a private Federally chartered tax-exempt corporation ("NAS"), for the full term of copyright and any extensions thereto a non-exclusive, royalty-free, irrevocable license to publish, reproduce, distribute, transmit, display, store, translate, create derivative works from and otherwise use the Work titled: _____, (hereafter collectively "Work") I have submitted in connection with the *EngineerGirl* project of the NAS/National Academy of Engineering (NAE) in any language or in any form, manner, format, or medium now known or hereafter developed without limitation throughout the world, and to permit and/or license others to do any or all of the above.

I warrant that the Work is original, that it has not been published, that all the facts it contains are true and accurate, that it does not infringe upon any copyright, proprietary, or personal right of any third party, and that permissions have been obtained for any portions of the Work owned or controlled by a third party and for the inclusion of images of any persons other than myself. I agree to indemnify NAS and/or its successors and assigns for any and all claims, costs, and expenses, including attorney's fees, arising out of any breach of this warranty or other representations contained herein.

I also hereby grant NAS permission to use, exploit, adapt, modify, reproduce, distribute, publicly perform and display, in any form now known or later developed, my image or visual likeness, my name, voice and/or other biographical information (the "Personal Information") or the Personal Information of any minor children listed below, now or in the future, throughout the world for NAS' tax-exempt purposes.

I hereby waive the right to receive any payment for signing this License and Release and waive the right to receive any payment for NAS' use of any of the Personal Information. I also waive any right to inspect or to approve any derivative works that may be created using the Personal Information and waive any claim with respect to the eventual use to which the Personal Information may be applied. The Personal Information may be used at the NAS' sole discretion, with or without my name, or that of any minor children listed below, or with a fictitious name, and with fictitious or accurate biographical material, alone or in conjunction with any other material of any kind or nature except that NAS will not use the Personal Information for any criminal or illegal purposes or in a manner inconsistent with community standards of decency.

I hereby release NAS from any and all claims I may have now or in the future for invasion of privacy, right of publicity, copyright infringement, defamation or any other cause of action arising out of the use, exploitation, reproduction, adaptation, distribution, broadcast, performance or display of the Personal Information. I understand and agree that NAS is and shall be the exclusive owner of all right, title, and interest, including copyright, in any derivative works.

This License and Release shall be governed by, and construed in accordance with, the laws of the District of Columbia, applicable to contracts entered into and to be fully performed therein.
